Welcome To Awana at Fourway

We are celebrating our 10th Year of Awana at Fourway Baptist Church and I am excited you have Stopped by to check us out. You may have heard about us or Awana before and would like to learn some basic information about the program.

Awana teaches boys and girls the gospel of Christ and train them to serve Him through handbooks that are age appropriate which helps bring the Bible alive to the kids. These handbooks are designed for you to go through with your son/daughter and talk to them about their Bible section and help them. It has a Question then Answer that are common for their age group. The books have a small simple story that will relate with the section that they are working on. There are memory verses for the children to learn. When they recite the verse to you and with your signature, they will earn points that will allow them to bring home prizes for their work.

They also will have uniforms that they can wear and awards they can earn, then display them along with their peers.

We also will have a fun teaching time and a game time that really excites the kids.

Each month we have theme nights that the kids really enjoy. Kids are loved here at Fourway because we recognize that they are a gift from God to us. We believe we are called to serve here in Awana. Each Awana leader is a member here at Fourway. We require our adult leaders to fill out a "Child Protection Policy" and go through a "background check" to serve in all our children's programs. We believe in doing all we can to provide a safe, Godly environment for your children.

Our club starts with 3 year olds and goes through 12th graders. Each year the Awana program builds on the previous years that help develop children with the Gospel and understanding of God in the world.

Please feel free to stop me to talk or call me if you have questions. To find out more about the AWANA program please visit their website awana.org. We are a friendly church that really love kids. Please reach out to any leader or stop me to chat if you would like to find out more about Awana and our Sunday Church programs.

Thanks again for visiting us. We hope you will come back again.

About AWANA

We are celebrating our 10th year of Awana at Fourway and we are excited to share the news of Jesus Christ with every child. We are glad that you have decided Fourway Baptist Church (FWBC) is a place where your child can grow in the Lord.

We are sure that our AWANA club will be a place of learning and excitement that will have a positive influence on your child. The AWANA program is divided into several age groups that range from **three-years-old through Grade 12**.

A typical night is divided into three parts:

1. Handbook Time
2. Game Time
3. Council Time

AWANA offers several opportunities for your child to grow spiritually through **Scripture memorization** and a basic understanding of **biblical principles and doctrines**. AWANA also provides an opportunity for children to learn to compete as a **team** and not just as individuals. They will **learn to win and lose** with a proper attitude of fair play and sportsmanship.

We ask for your support in encouraging your child to complete their handbook materials prior to each club meeting. This way we will have the time to show them how to apply what they learn to their everyday lives.

Please don't hesitate to seek me out if I can answer any questions about our club. We look forward to getting to know you and your family better.

Awana at FWBC

The Awana Cubbies program is for preschoolers and operates under these two premises.

- Young children can and should receive spiritual training.
- Home is the primary place for spiritual training.

Our preschool program meets these needs through ...

Fun – and lots of it!

Awana is fun with a purpose – to reach and train kids for Jesus Christ. Games, puppets, crafts, awards and other activities transform our preschool program into a lively weekly experience where fun and learning go hand in hand.

Foundational teaching

Bible-centered handbooks and club activities help your children begin to build a solid understanding of the basics of Christianity at an early age.

Family involvement

Cubbies is unique because it supports parents as the primary source of spiritual nurturing. By working directly with their child on the weekly handbook lessons, parents become active participants in their child's spiritual development. Along the way, unsaved parents with kids in the program are introduced to God and [His plan of salvation](#). Your kids will reap immediate benefits from their involvement in this exciting program. Just look at what they will learn after only two years:

- Approximately 55 memory verses – and up to 120 additional verses if they complete our extra-credit curriculum
- Key basic truths about God, Jesus Christ, salvation and the Bible
- The gospel message and their need to trust Christ as Savior

The AWANA Sparks program is for children in kindergarten through second grade and builds on the material taught in our preschool club. The aim of the curriculum is to take youngsters a step deeper into God's Word while giving unsaved boys and girls regular opportunities to hear the gospel and come to faith in Jesus Christ. After being immersed in solid foundational teaching at the preschool level, boys and girls frequently come to an understanding of their need to trust Christ as their personal Savior while in Sparks.

Immersing kids in God's Word

The Sparks program is firmly grounded in Scripture. The three handbooks feature:

- Basic truths about God, Jesus Christ, salvation and the Bible
- An increased emphasis on Scripture memory over our preschool materials. In three years, a child will learn and review 68 verses, many of which cover salvation and key Christian doctrine
- Clear and consistent presentation of the gospel message

Fun + learning = results

Sparks club meetings combine learning with fun to create an atmosphere of irresistible excitement for churched and unchurched kids alike. Club meetings are divided into three segments:

- Bible teaching, worship, award presentations and the gospel message
- Small group interaction and completion of Bible-based lessons
- Age-appropriate games on the AWANA game square

Along the way, Sparky, the friendly firefly, encourages boys and girls to learn verses and complete assignments throughout the three handbooks.

The AWANA Truth and Training (T & T) program is for 3rd-6th grade boys and girls. The T&T program takes kids through a two year Adventure series and then a two year Challenge series utilizing colorful and thought provoking handbooks.

Here is some information that may help you understand T&T Club:

- Each Clubber begins in the Start Zone.
- Achievements are divided into eight segments called Discoveries in Book One and Book Two and Challenges in Book Three and Book Four. Each segment contains seven sections.
- Each Discovery & Challenge segment contains 2 Silver and 2 Gold level sections. These sections are **not** required for book completion, but can be done for extra credit after the book is completed.
- Clubbers complete the first handbook, no matter when they begin club.

Clubbers are challenged to not just memorize scripture but also be able to clearly explain how it relates and applies to their lives and complete several service activities to complete each handbook.

The AWANA program is a wonderful program to have as a part our church's ministry to people. It is great way to teach children to learn how to hide God's Word in their hearts so that they may lead godly lives. The Scriptures are an essential part in bringing children to faith in Christ and cultivating the next generation to live for Christ. Just as Paul reminded Timothy that it was because of knowing the Scriptures from "infancy" that Timothy was able to make the wise choice of placing faith in Christ so we too commend this program for that purpose in your child's life. Please join us each Wednesday for a great time in God's Word!

We do not want club costs to be a reason for any child to miss out on club. Fourway has a sponsor program where individuals have donated moneys to sponsor clubbers who may not otherwise be able to attend. If you would like to find out more about the club sponsor please see Ms. Debbie in the Awana office.
